From: Thomas Styczynski, Alsip Fire Chief

The Alsip Fire Department would like to invite business owners and operators to attend a meeting on July 14th at 10:00 AM at the Alsip Village Hall, 4500 West 123rd Street, to present information on proposed annual inspection fees for businesses and multi-unit residential. You may recall that a plan was implemented a while back, and then withdrawn, after several concerns from the business community.

A new schedule for fees is being proposed, and it is hoped that it will be fair to all, and allow the Fire Department to recover the costs of inspections.

We hope you will attend to hear the presentation, and how Alsip compares with other communities in their inspections and fees charged. Please take this opportunity to express your concerns and ask any questions.
